

VOA Learning English

The **VOA Learning English** website, run by *Voice of America*, is an educational platform designed to support English language learners worldwide by providing **authentic, accessible English content tailored to different proficiency levels**. The site features news articles, audio programs, and videos spoken at a slower pace with controlled vocabulary, making it easier for beginning, intermediate, and advanced learners to improve **listening, reading, and vocabulary skills** through real-world content.

In addition to leveled news stories, the platform offers structured lessons, podcasts, interactive exercises, and teacher-focused tools that can be used to supplement classroom instruction or for independent study. With topics spanning culture, science, and life in the U.S., it engages learners using relevant and meaningful materials. The site's blend of journalistic content and language learning activities makes it a versatile resource for both educators and learners striving to build proficiency in English.
